

Register For Twilio account

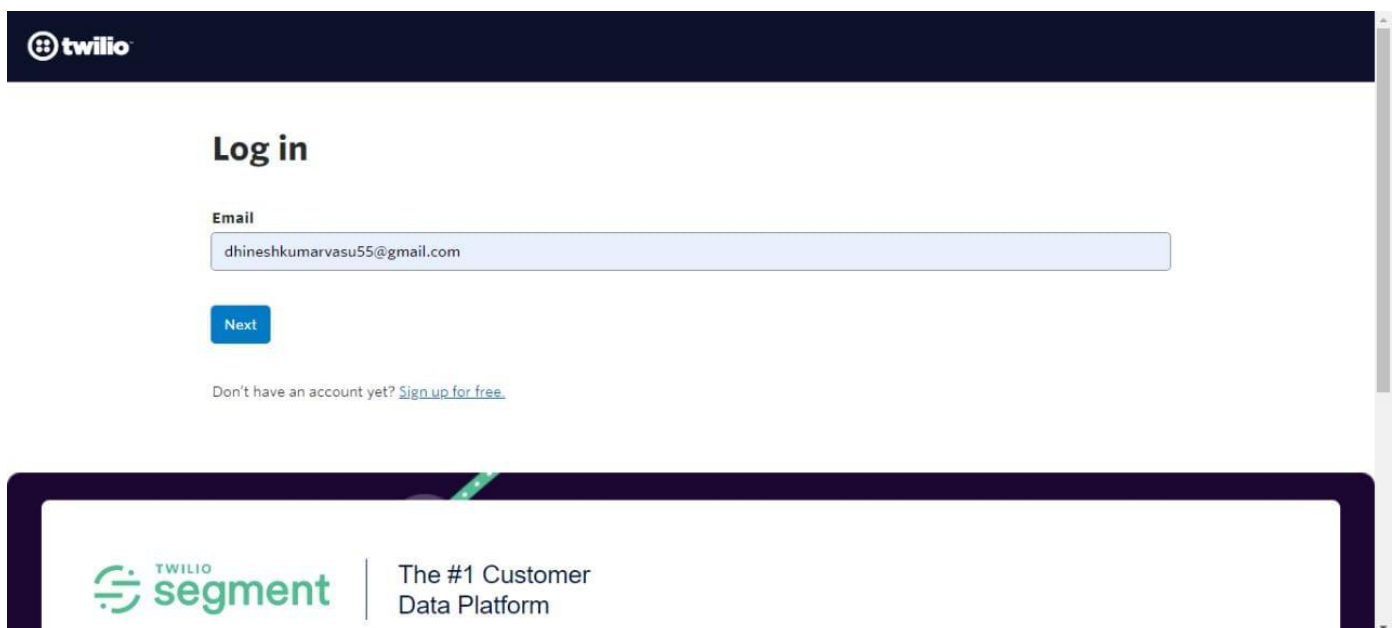

Date	09.11.2022
Team ID	PNT2022TMID48059
Project Name	Emerging Methods for Early Detection of Forest Fires

Aim:

To register for IBM cloud.

Steps:

1. Login to the twilio account with registered email

The image shows a screenshot of the Twilio login interface. At the top, there is a dark blue header with the Twilio logo. Below the header, the text "Log in" is displayed in a bold, dark font. Underneath, there is a label "Email" followed by a text input field containing the email address "dhineshkumarvasu55@gmail.com". Below the input field is a blue button labeled "Next". At the bottom of the login section, there is a link that says "Don't have an account yet? [Sign up for free.](#)". The footer of the page features the Twilio Segment logo on the left and the text "The #1 Customer Data Platform" on the right.

2. Enter a password and log in.

The screenshot shows the Twilio login interface. At the top is the Twilio logo. Below it is the heading "Log in". There are two input fields: "Email" with the value "dhineshkumarvasu55@gmail.com" and a "Change email" link, and "Password" which is masked with dots. A "Log in" button is positioned below the password field. A "Forgot Password?" link is located at the bottom left of the login section. At the bottom of the page, there is a banner with the Twilio logo and the text "The #1 Customer".

3. You will get the console dashboard in twilio.

The screenshot displays the Twilio console dashboard. The top navigation bar includes the Twilio logo, "Console", "My first Twilio account", a trial status of "\$13.86" with an "Upgrade" button, a search bar, and links for "Account", "Billing", and the user profile "Dhinesh". The left sidebar contains a "Develop" tab and a "Monitor" tab, with a list of resources: Studio, Functions and Assets, Phone Numbers, Messaging, and Voice. The main content area features a welcome message "Ahoy Dhinesh, welcome to Twilio!" and a guide to build an SMS app. A progress bar shows five steps: 1. Get a number, 2. Send your first SMS, 3. See an app demo, 4. Follow the tutorial, and 5. Scale your application. Step 5 is currently selected. Below the progress bar, the "Step 5. Launch and scale your application" section lists resources: "Scaling best practices" (with a sub-link "Scaling with Messaging Service"), "Account and pricing", and "Regulations and policies".

4. After completing the setups we will choose the account information and add mobile number.

The screenshot shows the Twilio Console interface. At the top, the header includes the Twilio logo, 'Console', 'My first Twilio account', a trial status of '\$13.86' with an 'Upgrade' button, a search bar, and user account details for 'Dhinesh'. The left sidebar contains navigation links for 'Develop' and 'Monitor', with 'Develop' selected. Under 'Develop', there are links for 'Studio', 'Functions and Assets', 'Phone Numbers', 'Messaging', and 'Voice'. Below these are 'Explore Products' and 'Docs and Support'. The main content area is titled 'Account Info' and contains three sections: 'Account SID' with the value 'AC2d64cab8606f25324a644047ba9cbb34', 'Auth Token' with a masked value and a 'Show' button, and 'My Twilio phone number' with the value '+13149485411'. A warning message states: 'Always store your token securely to protect your account. Learn more'. A 'Helpful links' section on the right provides links for 'How does Twilio work?', 'SMS Quickstart guides', and 'Support help center'. At the bottom, a note mentions the trial account limitations and provides links for 'verified phone numbers' and 'trial account'.
